

How to customize the New York State Unified Solar Permit form

Attached is a three-step form that contains:

1. Requirements for Application Submittal – STEP 1
2. Eligibility Checklist – STEP 2
3. Application – STEP 3

You can customize the form for your municipality by adding information to the first page:

1. Add your municipality's contact information, web site, etc. to the blank box in the upper right corner.
2. Under "4. Permit Fee Amount," insert the dollar amount of the permit fee.
